**Downtown Greensboro History Tour:** Have lunch in Greensboro's vibrant downtown and then head to the Blandwood Mansion for a fascinating tour of one of America's great historic homes. Finish the afternoon with a Carolina History & Haunts walking tour for 90 minutes of stories of local history and visits to sites where some of downtown's departed inhabitants are said to linger.

**Furnitureland South:** Visit the world's largest furniture store with 1.3 million square feet of showroom space! Join us for a behind-the-scenes tour of this global furniture destination. We'll also have about an hour to explore individual showrooms on our own.

**Old Salem Segway Tour:** If you know how to relax and lean in, you can hop on a Segway and zoom through town! After a training session, you'll balance on your gyroscope-controlled scooter and embark on a guided tour through downtown Winston-Salem and into the Old Salem Historic District, a National Historic Landmark settled by the Moravian community in 1766. With a stop halfway at a local chocolate factory, this fun and adventurous eco-friendly tour is sure to sweeten your day.
